ANNOUNCEMENTS & RESOURCES

Attend THE APPEARING this weekend, and invite a friend! The ancients predicted it. Millions of people can't stop talking about it. And even though global unrest and natural disasters indicate it will happen soon, few agree on exactly how or when it will happen. Is it possible that many people are making a mistake about the Appearing — an event mentioned more than 2,500 times in the Bible? Don't miss THE APPEARING, hosted by Voice of Prophecy Speaker/Director Shawn Boonstra and local pastors. It all begins this week (Thursday/Friday) at a church near you. Find a host location near you and test your knowledge about the Second Coming at appearing.org.

Pray Together

"If we would accomplish the great work before us, it is essential that we present to God fervent and effectual prayer; for it availeth much. The prayer needed at this time is the earnest, unbroken, continuous prayer, not fitful, uncertain prayers, wavering as the waves of the sea. If several should meet together with one accord, with hearts burdened for perishing souls, and should offer earnest, fervent prayers, they would prove effectual."
